Message From Organizing Committee

On behalf of **Jharkhand Neurosciences Society (JNS)**, it is our great pleasure to invite you to **ANEICON 2026—The Annual Conference of the Association of Neuroscientists of Eastern India**—to be held in conjunction with the Annual Conference of the Jharkhand Neurosciences Society (JNS) on **9th, 10th & 11th October 2026** in **Ranchi**, the picturesque City of Waterfalls.

ANEICON has consistently served as a premier academic platform for advancing clinical skills, updating evidence-based medical practice, and fostering the exchange of cutting-edge knowledge in **Neurology, Neurosurgery, Neurocritical Care, Interventional Neurology, and Allied Neurosciences**.

The theme of **ANEICON 2026** is:

“Neural Bridges: Connecting Discovery, Diagnostics, and Therapeutics”

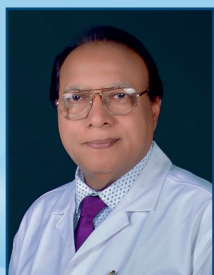

This theme reflects our commitment to integrating scientific discoveries with innovative diagnostics and advanced therapeutics to improve patient care. The conference will feature eminent regional stalwarts, nationally renowned neuroscientists, and distinguished faculty who will share their expertise through keynote lectures, panel discussions, symposia, and interactive scientific sessions.

A comprehensive **pre-conference workshop** offering intensive hands-on training in **Pain Management** is being planned to enhance practical learning. In addition, a dedicated **Young Neuroscientists Research Competition** for featuring poster presentations will provide an excellent platform for budding researchers to showcase their scientific work and engage with experts in the field. From this year onwards the Executive Committee of ANEI has decided to have separate awards for Neurology and Neurosurgery in the **BC Roy Gold Award** Session. All young Neuroscientists are requested to submit their research for the same. On the last day Jharkhand Neuro Sciences Society Symposium has been arranged for, for all Neuroscientists of Jharkhand to showcase their researches.

We warmly encourage all members, faculty, residents, researchers, and allied healthcare professionals to actively participate and contribute to the scientific deliberations. Beyond the academic excellence, **ANEICON 2026** offers an opportunity to experience the rich tribal heritage, vibrant culture, warm hospitality, and breathtaking natural beauty of Jharkhand.

Your presence and valuable contributions will play an important role in making **ANEICON 2026** a memorable and academically enriching event.

We look forward to welcoming you to **Ranchi** this October for three days of inspiring science, meaningful collaborations, and lasting friendships.
